MEMORANDUM FOR: Director of Logistics

ATTENTION : Procurement Division

SUBJECT : Disposition of Helio Aircraft Floats

1. It is requested that one (1) set of Helio Aircraft floats, serial number 708 and 709 (2870's) previously procured for operational feasibility testing on Project DEMISWORD, be disposed of through appropriate channels. Testing has revealed that these floats do not meet our present or future operational requirements.

2. It is suggested that the Helio Aircraft Corporation be authorized to sell subject floats and credit our present Procurement and Modification Contract.

3. The Accountability and Property Section has indicated that these floats are carried as 780 equipment on the aircraft number 58-3096 (N-4154D). The floats are located at the Helio Aircraft Corporation, Norwood, Massachusetts.
